

CONTACT-TT TABLE-TOP SYSTEM CONTROL TOUCH SCREEN

THE CONVENIENCE
AND CONTROL OF
THE CONTACT
NOW IN A
TABLETOP VERSION

The Contact-TT keypad with color touch screen is an elegant IntelliControl ICS control interface that provides the same benefits as the wall-mount Contact, but comfortably sits on a desk, table, or kitchen countertop.

FEATURES AND BENEFITS

“Convenient table-top design” opens up a world of new installation possibilities throughout the house. The Contact-TT has an elegant appearance that looks right at home in any surroundings

Plug-and-Play Integration with ICS Modular MultiZone Receivers simplifies setup and installation. You can depend on the Contact-TT to work right—right out of the box

“One Touch to Music”™ via any of the eight custom-labeled Master Keys. You’re only one touch away from all of today’s popular music sources

High-Resolution 3.5” Backlit Color Touch Screen puts control of your IntelliControl ICS system at your fingertips. Everything you want to know about the artist, song, album, station and more from Media Servers, HD Radio™, iPod®, XM®, SIRIUS® and AM/FM sources is displayed in vivid full color

Seven Backlit Hard Keys are located under the touch screen for convenient access to these frequently used controls: Volume Up & Down, Mute, Next & Previous Track/Station, System Settings, and Off

Alphanumeric Keys make navigating your iPod easier than ever by providing direct access to artist, albums, songs and playlists
