## Left/Center/Right Channel Loudspeaker

### Pro1870LCR

#### Stock Number

FG01135

#### Features

- 8" high power handling, interlaced carbon-fiber woofer with butyl rubber surround provides dynamic theater quality sound at sustained high-power output levels
- 1" fluid-cooled Teteron® dome tweeter delivers ultra-wide dispersion and silky-smooth high-frequency response
- 4" fluid-cooled carbon cone midrange with neodymium motor delivers sustained high output levels
- Adjustable, cast aluminum, fully-enclosed, dispersion-controlling, midrange/tweeter pod enables precise imaging regardless of placement and accommodates vertical or horizontal installations
- Midrange, tweeter, pod level and boundary compensation controls enable precise matching to room acoustics
- Cross-braced cabinet provides the ultimate in rigidity and sound clarity
- Bi-amp and bi-wire capabilities optimize tonal balance and enhance dynamic range
- Gold plated input terminals accept 12 gauge wire and ensure positive connections
- Polished black cabinet and sculpted aluminum grille provides an elegant yet unobtrusive appearance

#### Specifications

- Frequency Response: 60Hz to 20kHz +/-3dB
- Sensitivity: 90dB (2.83V@1 meter)
- Recommended Amplifier Power: 20 to 200 watts
- Impedance: 6 ohm nominal; 3.2 ohm minimum
- Dimensions (without grille): 11" W x 17.5" H x 15" D
- Dimensions (with grille): 11" W x 17.5" H x 16.45" D

**Warranty: Lifetime limited**

**Shipping Weight: 40.77 lbs, 18.5 kg**

#### Loudspeaker Dimensions (shown with grille)

\*Allow room for wiring.
