Re: Niles ZR-6 New Software Package Release Information

Niles is pleased to announce that Software Build Package v2.00c for the ZR6 Multizone receiver has been officially posted to the Niles Audio website for download.

Software Build Package v2.00c provides a number of system improvements and performance enhancements, including:

- The necessary firmware to install and program the TS-PRO Touch screen on the ZR6
- Newly revised and enhanced firmware update software to facilitate easy and expeditious firmware updates of the ZR6 and connected keypads

Software Build Package v2.00c for the ZR-6 can be downloaded at the Niles Technical Support website:

<http://www.nilesaudio.com/techsupport>

Please note:

Software Build Package v2.00c is compatible with Windows XP Home and Professional editions and Vista 32 bit operating systems only

Should you have any questions, please feel free to contact Niles Technical Support at 1-800-289-4434 or 1-305-238-4373 between the hours of 8am and 7pm Eastern Time, Monday - Friday.

We can also be reached via email at:
