Re: Niles ZR-6 New Software Package Release Information

Niles is pleased to announce that Software Build Package v2.01c for the ZR6 Multizone receiver has been officially posted to the Niles Audio website for download.

Software Build Package v2.01c provides a number of system improvements and performance enhancements, including:

- Improves overall communication between ZR-6 chassis and user interfaces
- Resolves IR code mapping discrepancies as well as other operational issues

Software Build Package v2.01c for the ZR-6 can be downloaded at the Niles Technical Support website:

<http://www.nilesaudio.com/techsupport>

Please note:

Software Build Package v2.01c is compatible with Windows XP Home and Professional editions and Vista 32 bit operating systems only

Should you have any questions, please feel free to contact Niles Technical Support at 1-800-289-4434 or 1-305-238-4373 between the hours of 8am and 7pm Eastern Time, Monday - Friday.

We can also be reached via email at:

Support@nilesaudio.com

Sincerely,

John Hamilton
