Re: New HDLCR and HDFx Loudspeakers

Niles has discontinued the HD-LRS and HD-CTR Home Theater Loudspeakers. We are now shipping the new HDLCR and HDFx HD High Definition Home Theater Loudspeakers, FG01151 and FG01155 respectively.

While the new HDLCR/Fx Bracket Kit FG01152 is now available; the new Loudspeakers can be installed into the older series New Construction Bracket Kit FG00722. They cannot however, be installed into the old series Frame and Grille Kit FG00723. The new HDLCR and HDFx Loudspeakers are shipped complete with their own specific Frames and Grilles, eliminating any need to use the older kits.

Should you have any questions, please feel free to contact Niles Technical Support at 1-800-289-4434 between the hours of 8am and 7pm Eastern Time, Monday through Friday.
