

Date: January 22, 2002
To: All Niles Dealers and Representatives
From: The Technical Support Department
Subject: Parts Guide

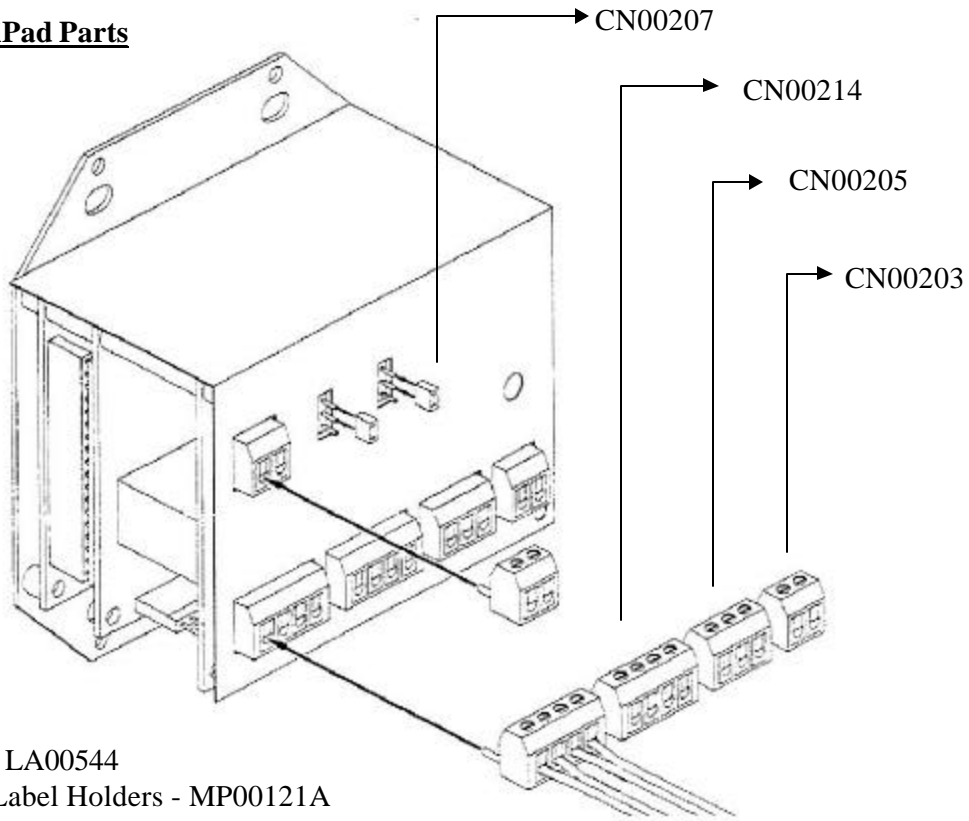

Page 1 of 1

In response to requests from our Dealers and Reps, the Technical Support Department has assembled the following guide to assist you in identifying various parts for Niles products. We have labeled these parts and, where possible, provided actual photos along with illustrations. If you should have any questions about this document or its contents please call Niles Technical Support at 1-800-238-4434.
