To: All Niles Dealers and Representatives  
From: The Technical Support Department  
Subject: Loudspeaker Terminals

Page 1 of 1

Effective immediately, all Niles® In-wall and Ceiling-Mount Loudspeakers will be shipped with high quality spring type push terminals that will accept wire sizes up to 12AWG. The new terminals are shown in the photographs below and a chart has been provided as a guide to which terminals are included on each series of Niles Loudspeakers.

**Style 1**

**Style 2**
